

Find the miller indices of the Direction AG

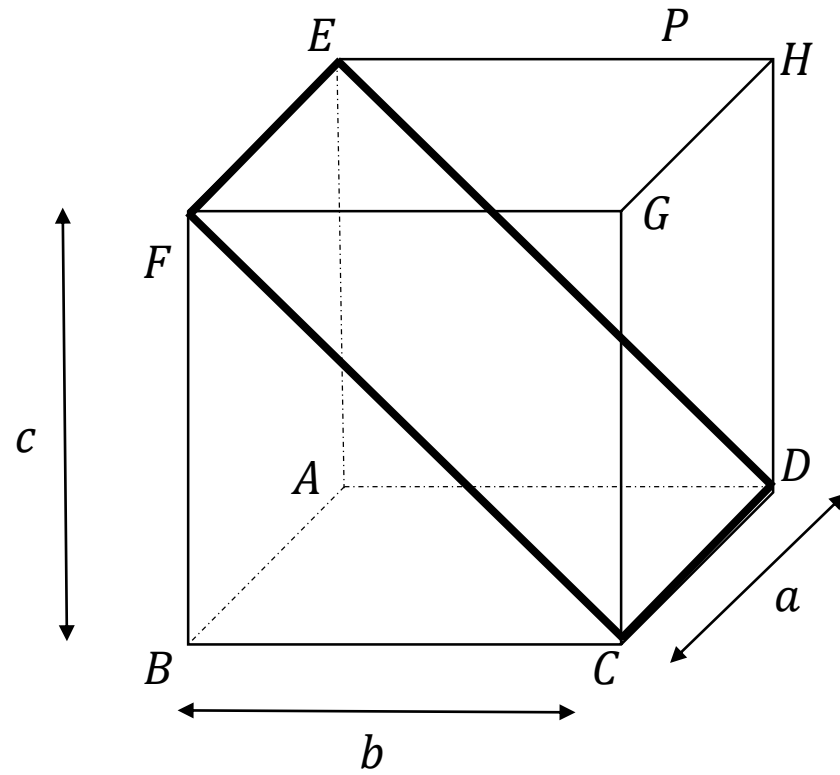

Find the miller indices of the Direction PC

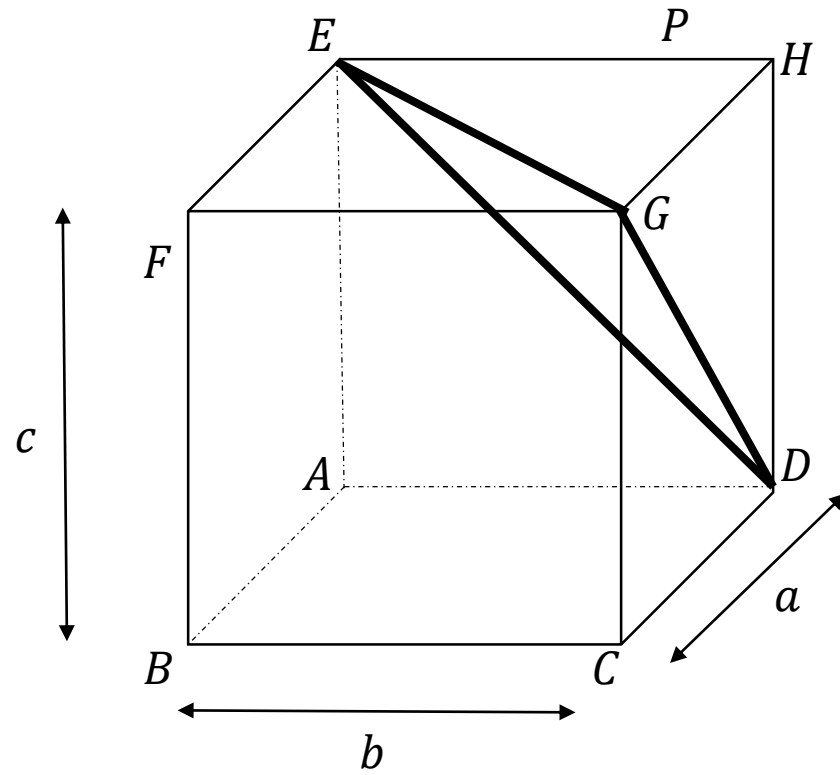

$$IE = \frac{a}{2}, JH = \frac{b}{2}$$

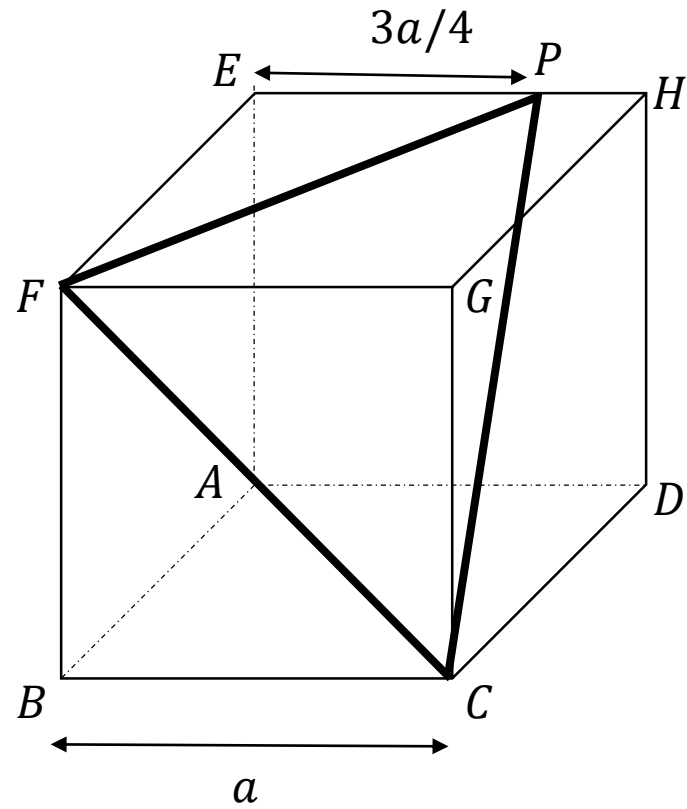

Find the miller indices of the plane EFCD

Find the miller indices of the plane EGD

Find the miller indices of the plane PFC

Find the miller indices of the plane KLMN

$$a = b \neq c$$

$$BM = KH = \frac{a}{4}$$

$$AN = FL = \frac{a}{2}$$

$$EK = \frac{3a}{4}$$
